## Carney Christmas Elves Celebrating Betty Murry's Baptism

Picture at Peachtree City Christmas 2015

**Suzanna** – Suzanna continues her pastoral ministry at Holy Trinity with the elderly. It continues to be a joy to assist with the needs of both our children and grandkids. She has been spending time in Battle Creek helping out with Behnke Trucking. Suzanna, Mike, Mikey, as well as Nicole, Erin, Haley, and Chele all visited Poland for a walk in Pope John Paul II footsteps.

**Tony and Kelly** - Tony continues as manager for Eaton LED Design. Kelly is a patient, creative mother of 3 precious children who are growing up very fast. Joanna is 5 and loves to coordinate plays. Simon, 3, works with Papa on the trains. Nathaniel, 1, is musical and loves to celebrate!!

**Michael** – Chele has moved to Slippery Rock, PA and bought a new home there. She is working at the Grove City facility for GE Transportation that manufactures the locomotive engines. She is the Supplier Quality Manager. She continues to work with GE Girls, a summer program for girls age 11-14. She also spends time at Notre Dame as a recruiter for GE.

**Erin** – Erin continues to work for Georgetown University in Washington DC helping them with their cancer research program. Erin and Haley both completed 2 Ironman races.

**Nicole and Brandon** – Nicky and Brandon are the proud parents of their second child, Mary Alice Betty Murry, born October 16, 2015. Brandon continues to teach at Bonanza High School in math and completed his Masters in Education this year too. Nicky continues to work at AIG Insurance where she manages outside legal counsel.

**Haley** – Haley is still with Continental Tire in Hannover, Germany. Her latest project was working on developing tires for the Porsche automobile.

**Emily** – Emily has left the Marines and is now living and working in San Diego.

**Jamie** - Jamie has joined the Navy and will be heading off to boot camp in February. She continues to work as a CNA in Peachtree City until she leaves.

**Joseph** – Joe continues at Job Core in Morganfield KY. He will become cable technician in early 2016.

**Michael** – Michael continues to manage Mr. Handyman in Peachtree City and Behnke Trucking in Battle Creek. Michael also started an old hobby of model trains. He began to build a G scale layout in the back yard of the Peachtree City house in January. All of the grandkids are enjoying playing with the trains.

Peace to you, your Family and the WORLD in 2016!
